MONTHLY AUTO DRAFT PAYMENT PROGRAM

Frequently Asked Questions

How does the program work?

Once you sign up with ACH, your mortgage payment will automatically deduct from your designated checking or savings account each month. Amos Financial will send notification to your bank to transfer the exact amount of the mortgage payment. A record of the transaction will be included each month on your bank statement and your monthly billing statement from Amos Financial. If your payment increases, your ACH draft will automatically increase.

Why should I sign up for the ACH service?

ACH is free, convenient, secure, and offers peace of mind. You no longer have to write out and send in a check each month for your mortgage payment. No stamps, no envelopes, no worries, no hassle. And you'll have peace of mind knowing your monthly mortgage payment was made automatically, on time, and through a secure method.

Does ACH cost anything?

There are absolutely no charges to setup or use our ACH service. Please be advised, however, that in the event you do not have sufficient funds in your account to cover the monthly payment amount on the transfer date, your bank may charge you an Overdraft/Insufficient Funds Fee. You should contact your bank to determine if this fee applies and the actual amount incurred. We will not be held liable or responsible for the payment of any overdraft charged or other bank fees as a result of an attempted transfer from your account containing insufficient funds. We will also assess an insufficient funds fee, which may vary from \$0-50, in accordance with applicable state and agency guidelines. You will remain liable and responsible for any monthly payments which remain unpaid as a result of an unsuccessful attempted transfer from your account containing insufficient funds.

Can I still make additional principal payments or escrow deposits?

Yes! If you want to make additional payments, either designate on the application the amount of the principal payment to be withdrawn in addition to your monthly payment, or simply mail a check for the desired amount. Additional escrow can be mailed any time. Please include your mortgage account number and the words "additional principal" or "escrow deposit" on the face of your check.

How can I begin this convenient service?

It's very simple. You can call us at 886-213-4957, go online, or fill out the application and send it in via email, fax, or mail. Please provide a voided blank check or a savings account deposit slip with the application. The application and your voided check or deposit slip gives Amos Financial the accurate information needed to begin the ACH service. The confirmation letter identifies the date of the first scheduled ACH draft payment. Please continue to make the normal mortgage payments until you receive your confirmation letter.

Can I cancel the ACH service?

Absolutely. You may cancel the ACH service at any time. Simply call our toll free number at 886-213-4957 or send in a written notice detailing your request at least 15 days prior to your next due date.

What happens if I change my bank?

If you change your bank, you will want to call our toll free number at 886-213-4957 at least 15 days before your next draft date to update the ACH service.
